

Furniture Design

Vanguard is a smart, clean, sophisticated, contemporary furniture desk system that works for today and tomorrow's workplaces in exciting and adaptive ways. The system can be configured in a number of ways for use in the executive office. Vanguard's design is a simple extruded aluminum frame with a set of lock-on worktop and storage components with a fresh and diverse palette of material options. Special features include bi-fold doors and a wedge shaped desk. Material choices include several wood species, glass tops and pulls options.
